Tuesday Morning is one of the nation’s largest retailers of upscale closeout brand name, first quality products for your home at unparalleled savings. This means that our quantities are often limited and availability is subject to stock on hand by location. Selection and inventories may vary from store to store. We reserve the right to limit quantities sold. It is our intention to be in stock on all advertised items. We apologize for but will not be bound by any errors in our advertisements or distribution of goods. All refunds will be made in the same manner in which paid. No rain checks. All items sold individually unless otherwise noted.
